Any recommendation or suggestion relating to the use, storage, handling or properties of the products supplied by M&I Materials Ltd or any member of its group, either in sales and technical literature or in response to a specific enquiry or otherwise, is given in good faith but it is for the customer to satisfy itself of the suitability of the product for its own particular purposes and to ensure that the product is used correctly and safely in accordance with the manufacturer's written instructions. © M&I Materials Ltd.

The Apiezon range of vacuum greases, oils, waxes and sealing compound are sold through a comprehensive worldwide distribution network. Australasian distributors of the Apiezon products are listed below. Distributors in other territories are available on request.

Should you require further information on the Apiezon product range or would like to discuss your requirements in more detail directly with the manufacturer, our staff at Apiezon Products, M&I Materials Ltd, in Manchester in the UK would be pleased to help you.
